

The focus is on *you.*

Every appointment starts with a consultation, and every service includes a wash and a rejuvenating scalp massage — updos excepted.

Prices marked FROM move with length, density and the work involved. You get a firm number at the consult, before anything starts.

FEATURED TREATMENT

René Furterer Hair Loss Prevention

For thinning hair, seasonal shedding and weakened roots.

A targeted in-salon therapy that revitalizes the scalp and strengthens thinning hair. René Furterer's botanical formulas, rich in essential oils and plant extracts, stimulate micro-circulation, nourish the scalp and help reduce hair fall — leaving hair feeling fuller, balanced and visibly healthier.
